### **Band Director's Report**

---

Mr. Ludlow's update—all region orchestra is this coming weekend, and all region was last weekend. Feb 2 Guard Contest all came about in the last week. Whomever was hosting had something happen to their gyms, so they were no longer available. Someone was needed at the last minute that had available gyms. We could earn ~\$4,000. We will have to do all set up and tear down on Friday. It will be compressed into 8 hours, so it will be intense. We will need all students in the band to help and a large parent need as well for concessions and spectator bouncers. March 9<sup>th</sup> is the Guard Contest we always have had that will also be a fundraising event.

Solo and ensemble- all students should be doing at least one of them ex Wind Ensemble is doing both. Also, if in private lessons, students are doing both. Students have the option in other bands. Students can earn points for their letter jacket dictated by the district. If they get a class one solo, they will get points. Look at the District Fine Arts page for more information. Students are responsible for finding and hiring an accompanist.

**Booster Meeting-** The next Booster Meeting is scheduled for February 13th.
